**For children age 9+**

**ADMISSION FREE**

Join us for a fun-filled afternoon of music, pipe organs, education, and pizza! Students from the Juilliard School will demonstrate the many facets of the pipe organ, from the thousands of pipes that make up the instrument, to the five different sets of keys (including one for the feet alone!) that are played by a single person!

The event starts at 3:00 PM and finishes at 5:30 PM. We will start with a tour of the pipe organ, play games related to music, and then everyone gets to have a try at playing the instruments! After a break for pizza, we will have a special performance by the 2015 NYCAGO competition winner and Juilliard student Colin MacKnight (right).

If you or someone you know has children aged 9 and over that would be interested in participating, please email the PP&P Chair, Loraine Enlow ([lenlow@stjames.org](mailto:lenlow@stjames.org)) to register. Please include their name, age, musical/keyboard experience, and emergency contact info. See [www.nycago.org](http://www.nycago.org) for more details.
