Substitute List

The New York City Chapter of the AGO maintains a list of its members willing to serve as substitutes. This list contains information which has been self-identified by those who have chosen to be included in this roster. The information has not been confirmed by the New York City AGO nor is the New York City AGO able to ensure that the individual is appropriate for any particular situation. Those seeking to hire a substitute are responsible for determining the substitute's suitability, and are encouraged to follow appropriate hiring practices, including verification and background checks where applicable. Only members in good standing of the NYC Chapter of the AGO are included on this list.
